On March 14<sup>th</sup> 2026 the Ophthalmic Association of St John of Jerusalem Eye Hospital Group held its third international Masterclass, and its second in NeuroOrbital disease.

The event was held in the Royal Society of Medicine in London, attended by 90 international delegates and speakers, and a further fifty on-line.

Contributors included our guest lecturer Professor Geoffrey Rose, and experts from the UK, Europe, and North America, and the Association's Vice Patron, Dr Michael Dan.

Guest lecturer Professor Geoffrey Rose is presented with a special St John swift, sculpted by Mark Coreth

Introductory addresses included the origins and work of St John of Jerusalem Eye Hospital Group.

The scientific sessions included the following sections:

- ~ The Orbit and beyond ~
- ~ Orbit and skull base: Perennial challenge ~
- ~ Orbital Apex: Tiger territory ~
- ~ Cutting Edge Technology ~
- ~ State of the Art: Sphenoid wing meningioma ~
- ~ Brave new world: Orbital frontiers ~

The Association thanks the medical students, faculty, and, above all, the speakers who gave their time and expertise to support this congress. It also acknowledges the generous support of the following organisations, without whom this educational event would not have been possible:

**The Macaskill Foundation ~ The Rowda Group Ltd ~ Théa Pharmaceuticals Limited  
~ Medtronic ~ Scope ~ Altomed ~ Vision Engineering ~ The SOA Ltd Board**
